OBERON ROUND INSET/UNDERMOUNT BATH

This bath is supplied with only waste & overflow holes drilled in order to allow options on jobsite in the positioning of spouts, taps, handshowers & whirlpool controls. The only rule is good plumbing.

This bath has four screw adjustable feet allowing a variation in height of 50mm/2". Maximum height of feet is 140mm/5 1/2". The weight of the bath must be on the feet, not the rim, which should only kiss-touch the deck.

All Cabuchon products are registered designs covered by copyright and the Company, being committed to continuous innovation and improvement, reserves the right to change specifications without notice. Tolerances are + or -3mm.
